

Steven R. Iwinski
Memorial Grant

Steven R. Iwinski Young Professional Memorial Grant

OUR MISSION

Honoring the past by supporting the future

The Steven R. Iwinski Young Professional Memorial Grant was established to bring emerging professionals to the International Erosion Control Association's Annual Conference to honor Steve's lifelong dedication to mentorship, education, and the advancement of environmental technologies. By supporting those at the start of their careers, this grant helps ensure the future of our industry remains rooted in innovation, collaboration, and a deep commitment to conserving soil and water resources. Join us in welcoming and inspiring the next generation, just as Steve did throughout his life.

GET INVOLVED

Apply

Apply at
